

BANNERS IN THE UNIVERSITY DISTRICT

Did you know that the City of Columbus requires a Miscellaneous Graphics Permit for some house banners?

If you plan to hang a house banner that is ten sq. ft or less, no permit is required. A banner greater than ten sq. ft. up to 16 sq. ft requires a Miscellaneous Graphics Permit from the City of Columbus. Banners greater than 16 sq. ft are not allowed.

Contact zoninginfo@columbus.gov to inquire about a Miscellaneous Graphics Permit. Note that you will need to submit your permit application at least 90 days before you plan to display the banner; be sure to prepare.
