Dear OSU Student,

Thank you for reading the 2015-2016 edition of the Ohio State University Renter’s Guide. This publication has been provided by the Undergraduate Student Government’s Student Affairs Committee to make your search for housing in the off campus area easier and to help you make informed decisions in the leasing process. The following pages will provide you with data on landlords in the off campus area. These results were compiled by a survey administered by the Center for the Study of Student Life and commissioned by the Undergraduate Student Government. The Renter’s Guide is one of USG’s several initiatives this year. Please check out our website (usg.osu.edu) to see other USG initiatives this year as well as contact information for your representatives. Also, please feel free to contact us if you have any questions, concerns or feedback for how USG might better serve you.

Enjoy the Renter’s Guide and GO BUCKS!

Purpose and Methodology
The data in the following report is intended to provide useful information about the previous experiences of OSU students living in the off campus area. This is done through surveying and evaluating the perceived level of service tenants received from the rental companies. Survey participants were asked to complete online questions relevant to their experience with the respective rental company from the previous year. We hope that you will utilize this guide to help you make an informed decision of whom to rent from. A great resource for such information is Off-Campus and Commuter Student Services, located in room 3106 of the Ohio Union. There is a section outlining their resources at the end of the guide.

The Undergraduate Student Government Renter’s Guide survey was administered by the Center for the Study of Student Life in September 2015 to undergraduate students living in the 43201 ZIP code. The sample included 2,000 undergraduate students. The survey yielded 475 responses or approximately a 24% response rate. The Undergraduate Student Government would like to thank everyone who responded to this year’s survey.

Disclaimer
In publishing this information, neither the Undergraduate Student Government nor The Ohio State University endorse or support any company nor business over any other; this survey simply provides a direct report of tenant opinions. Because the data contained in this section reflects opinions, different interpretations are possible. The above-mentioned organizations assume no responsibility for reader, tenant, or prospective tenant interpretation or reaction to the data. Nothing included in the data is intended to give legal advice. If you have any questions regarding the law or its application in a certain situation we suggest you consult Student Legal Services (studentlegal.osu.edu) or another attorney service.

Summary of Data
For each question in this guide, there is a graph that summarizes the data collected from the Renter’s Guide survey. Under each of those graphs is a breakdown graph that shows the percentage of respondents that selected each answer.

WHAT STUDENT LEGAL SERVICES WANTS YOU TO KNOW ABOUT MOVING AND LIVING OFF-CAMPUS

1. GET A LEASE REVIEW FROM SLS

A lease is one of the first legal contracts you will sign. Signing a lease means gaining a lot of responsibility. Leases can be confusing with unfamiliar terms and legal jargon. You should have your lease reviewed by SLS before you sign and become legally obligated. (But, even if you’ve already signed, it’s still a good idea to have it reviewed). SLS will explain your rights and responsibilities, give you tips about getting your security deposit back, and answer your questions. Leases in Ohio are not standard and may vary from landlord to landlord so have each lease (or renewal) you sign each year reviewed.

2. HOUSE HUNTING

- View the unit you’re renting, not just the model.
- Get to know the neighborhood. Go visit on different days/times of week.
- Talk to current tenants—why aren’t they renewing? How much are utilities? Do they like their landlord?

3. DRAFT A ROOMMATE AGREEMENT

The Agreement can clarify how and who pays rent and utilities, special house rules, and other important information. You can find a sample Roommate Agreement at studentlegal.osu.edu/offcampus.

4. SECURITY DEPOSITS

Document the condition of your housing before you move in and when you move out using move-in/out checklists and by taking pictures and/or video of ANY damage in the unit at move-in and the cleanliness at move-out. This documentation helps ensure that the landlord cannot charge you for damages that existed prior to your move-in. Keep copies of lists and photos/video! Find sample checklists at studentlegal.osu.edu/offcampus.

5. SLS IS HERE AFTER YOU MOVE-IN & COVERS OTHER LEGAL ISSUES

We can provide legal advice and representation regarding issues that arise after you move-in, like getting repairs or receiving your security deposit refund. We also assist students with other legal issues, including: criminal misdemeanors, traffic accidents and offenses, consumer transactions, credit or debt disputes/collections, marriage dissolution, employment agreements, wills, advance directives, notary services & much more.
